

Dr. Dov Zohar and I have a project on Safety Climate. We currently have an open position for a Project Coordinator/Administrator to work with us at Liberty Mutual Research Institute for Safety. Position requirements are to coordinate a research project with two national companies and the investigators. The person needs to have excellent verbal and written communication skills and be good in taking research notes. Additionally, the person needs to have organizational and coordination skills for research activities and be good at coordinating with company managers and employees. This position will involve working in Hopkinton , MA where the Institute is as well as frequent travel to the research sites/companies, both in and out-of-state.

Time frame: Start immediately for approximately 1 year. Will consider both fulltime and part-time.

If you are interested in this position, please send your resume to me at
