Job Description

Texas State University—San Marcos invites applications for an Assistant Professor, tenure-track position for fall 2010. Required Qualifications: Ph.D. in psychology with graduate level training including occupational health psychology and/or program evaluation or a closely related specialization in psychology; evidence of an active research program; potential for: teaching courses in research/evaluation and occupational health/industrial—organizational psychology; developing and supervising student internships; involving graduate/undergrad students in research; and securing external funding. Preferred Qualifications: Strong methodological background; demonstrated effective teaching credentials/student evaluations; experience related to supervising graduate theses/research; teaching and research interests in organizational theories; structures; processes; primary prevention, interventions; programs reducing occupational stress, illness and injury; or program evaluation. To ensure full consideration all materials must arrive by October 15, 2009. Application Procedures: To apply send a cover letter, copies of transcripts from all degree granting institutions, current vitae, a statement of teaching philosophy, statement of research interests, available reprints/preprints, evidence of teaching effectiveness, and at least three letters of reference to: Harvey Ginsburg, Search Committee Chair, Department of Psychology, Texas State University-San Marcos, 601 University Dr., San Marcos, TX 78666. Texas State University-San Marcos is an Equal Opportunity/Affirmative Action Employer and strongly encourages applications from candidates who would enhance the diversity of the University's faculty.
